We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 16 of the Other Matters section below, other than the unaudited financial statements/ financial information as certified by the management and referred to in sub-paragraph 19 of the Other Matters section below, is sufficient and appropriate to provide a basis for our qualified opinion.
4. We draw your attention to the following paragraph (as reproduced) included in the audit report on the special purpose financial information of Titagarh Firema S.p.A (a subsidiary of the Holding Company) issued by other auditors vide their report dated May 27, 2022:

"As of 31 March 2022 the Company has a financial debt with two financial institution, according to the provisions of the reference accounting standards, that have to be classified as due within 12 months due to failure to comply with some financial parameters, pending the formalization of waiver letters with the banking class. As of 31 March 2022, however in the absence of a specific request by the banking class for an immediate repayment of the debt exposure, the company continues to report the financial debt as long term and specifically (i) to the Italian credit institution, equal to Euro 10 million (of which Euro 0,6 million withing twelve months and Euro 9,4 million beyond twelve months), and (ii) to the foreign credit institution, equal Euro 75,3 million (of which Euro 32,3 million withing twelve months and Euro 43 million beyond twelve months), maintaining the original classification in the special purpose financial information as required by the financial agreements. So, the Company, although contractually regulated, has not classified the previous amounts in the current liabilities in the special purpose financial information as of 31 March 2022."

## Emphasis of Matter

5. The following Emphasis of Matter (as reproduced) has been communicated to us by the auditors of Titagarh Firema S.p.A (a subsidiary of the Holding Company) vide their report dated May 27, 2022:

"In the reporting package ended 31 March 2022, the Company reported a net loss for some Euro 9,2 million, shareholders' equity for some Euro 2,4 million and has a significant bank debt for some Euro 85,3 million, of which some Euro 52,3 million classified by the Company as expiring beyond 12 months. Current assets exceed current liabilities by some Euro 12,3 million. Trade payables, equal to some Euro 28,6 million as at 31 March 2022, decreased by some Euro 5,9 million during the year, and include an overdue payable to third party suppliers for some Euro 18,1 million at same date. The Company is currently proceeding with the rescheduling and the payment of the overdue commercial debt for the main suppliers of the Company.

In the explanatory note accompanying the special purpose financial information (the "explanatory note"), the Directors of the Company indicate that the special purpose financial information as at 31 March 2022 has been prepared according to the assumption of the going concern and illustrate the reasons. These reasons are based on the expectation that the Company implements an important growth plan, envisaged by the Budget 1 April 2022 – 31 March 2023 (the "Budget"), approved by the Board of Directors on 27 May 2022, with the generation of significantly higher margins compared to the historical values achieved, the failure of which could affect the overall value of cash generation, also to meet the overdue debt to suppliers.

In particular, the Budget is based on the positive expectation of the financial debt renegotiation indicated above at the paragraph "Basis for Qualified Opinion" for which negotiations are underway.

The Directors indicate in the aforementioned explanatory notes that, despite the aforementioned material uncertainty that may give rise to doubts about the Company's going concern, the special purpose financial information have been drawn up on a going-concern basis, as they have a reasonable expectation that the Company will be able to reach a financial balance in the short term through the successful conclusion of the actions indicated above.

Our opinion is not modified in respect of this matter."

Paragraph "explanatory note accompanying the reporting package" as described above corresponds to Note 46 in the consolidated financial statements.

Our opinion is not modified in respect of this matter.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## STATEMENT OF CONSOLIDATED FINANCIAL RESULTS FOR THE QUARTER AND YEAR ENDED MARCH 31, 2022

## Notes:

- 1 The consolidated financial results of Titagarh Wagons Limited (hereinafter referred to as "the Parent Company") include results of subsidiaries (including step down subsidiaries) namely - Titagarh Bridges & International Private Limited (formerly Matiere Titagarh Bridges Private Limited), Titagarh Firema S.p.A (TFA) and Titagarh Singapore Pte Limited (TSPL), collectively referred to as "the Group" and Joint Venture namely Titagarh Mermec Private Limited.
- 2 As at year ended March 31, 2021, the Group had segregated its segment- Wagons and Coaches" into "Freight Rolling Stock" and "Passenger Rolling Stock" and as such, in accordance with Ind AS 108 - Segment Reporting, the operating segments based on the Company's products were identified as "Freight Rolling Stock", "Passenger Rolling Stock", "Shipbuilding" and "Others" wherein the "Others" consists of miscellaneous items like specialised equipment for Defence, Bridge Girders, Tractors etc. The Chief Operating Decision Maker, effective quarter ended December 31, 2021 started reviewing the "Shipbuilding" and "Others" as a composite segment namely "Shipbuilding, Bridges and Defence" (SBD). Accordingly, the comparative figures reported herein have been restated for the reportable segments viz. Freight Rolling Stock, Passenger Rolling Stock and SBD, to maintain comparability as stipulated by the said Accounting Standard.
- 3 The figures for quarter ended March 31, 2022 are the balancing figures between audited figures in respect of full financial year ended March 31, 2022 and the year to date figures upto December 31, 2021 (which has not been subjected to audit by the statutory auditors) being the date of end of the third quarter of the financial year ended March 31, 2022.
- 4 Figures for previous periods have been regrouped/restated to conform to the classification of the current period, wherever necessary.
- 5 The Board of Directors of Parent Company at its meeting held on January 10, 2022 approved a draft scheme (the Scheme) for amalgamation of Titagarh Bridges and International Private Limited (TBIPL) - a wholly owned subsidiary with the Parent Company, pursuant to Sections 230 to 232 of the Companies Act, 2013 with April 01, 2021 as the Appointed Date, subject to intimation thereof to the stock exchanges concerned and such approvals as may be applicable including the sanction by the Hon'ble National Company Law Tribunal (NCLT). TBIPL being a wholly owned subsidiary of the Parent Company, no consideration is payable and the equity shares and optionally fully convertible debentures held by the Parent Company in TBIPL shall stand cancelled upon the Scheme becoming effective. The Scheme was approved by the shareholders and creditors of the Parent Company on May 10, 2022 at their respective meetings held pursuant to the order dated March 16, 2022 of NCLT. The Parent Company has filed the final confirmation petition for sanction of the Scheme before the NCLT on May 28, 2022 and awaits listing for its hearing.
- 6 Titagarh Firema S.p.A, in it's reporting package (the "special purpose financial information") for the year ended March 31, 2022 has reported, "During the year, the Company reported a loss for Euro 9,2 million, shareholders' equity for Euro 2,4 million and has a significant bank debt for Euro 85,3 million, of which Euro 52,3 million is expiring beyond 12 months. Current assets exceed current liabilities by Euro 12,3 million. Trade payables, equal to Euro 28,6 million as at 31 March 2022, decreased by Euro 5,9 million during the year, and include an overdue payable to third party suppliers for Euro 18,1 million at same date. In particular, the Company is currently proceeding with the rescheduling and the payment of the overdue commercial debt for the main suppliers of the Company; at the moment, the negotiations are still underway for a residual overdue debt position of the Company. We highlight the Company has received n. 11 injunctions for payment from suppliers for some Euro 0,7 million.  
The special purpose financial information have been prepared according to the assumption of the going concern, that is based on the expectation that the Company implements an important growth plan, envisaged by the Budget 1 April 2022 – 31 March 2023 (the "Budget"), approved by the Board of Directors on 27 May 2022, with the generation of significantly higher margins compared to the historical values achieved, the failure of which could affect the overall value of cash generation, also to meet the overdue debt to suppliers. In particular, the Budget's assumption is based on the financial debt renegotiation, currently in place with an Italian credit institution, towards which the Company had a debt exposure for some Euro 10 million as at 31 March 2022, and a foreign credit institution, towards which the Company had a debt exposure for some Euro 75,3 million as at 31 March 2022, that is aimed at obtaining waiver for certain financial covenants which are in breach as of 31 March 2022. Negotiations are in progress with the creditor banks to formalize the waiver letters.  
Despite the aforementioned material uncertainty that may rise doubts on the Company's ability to continue as a going concern, the special purpose information have been drawn up on a going-concern basis, as the directors have a reasonable expectation that the Company will be able to reach a financial balance in a short time through the successful conclusion of the actions indicated above.  
Moreover, the Company expects a share capital increase of Euro 19,9 million through the issue of shares to new shareholders including Invitalia, to be completed shortly. Out of the said Euro 19.90 mln, Euro 3.9 million has already been implemented by the existing shareholders.  
Furthermore, as described, the formalizations of waiver letters with an Italian credit institution and a foreign credit institution are in progress due to the breach of some financial parameters. As of 31 March 2022, however, in the absence of a specific request by the banks for an immediate repayment of the debt exposure, the company continues to report the debt to the Italian credit institution, equal to Euro 10 million (of which Euro 0,6 million within twelve months and Euro 9,4 million beyond twelve months), and to the foreign credit institution, equal to Euro 75,3 million (of which Euro 32,4 million within twelve months and Euro 42,9 million beyond twelve months), maintaining the original classification in the financial statements as required by the financial agreements."
- 7 Exceptional costs of Rs.1,313.44 Lacs (March 31, 2021: Rs. Nil) is of Titagarh Firema S.p.A, a step down subsidiary, which represents costs incurred towards one time employee costs for shifting the production of Tito to Caserta w.e.f January 01, 2022 and settlement of litigation claims in relation to the ongoing disputes with ex-employees of Firema Trasporti (in extraordinary administration) as part of the acquisition process.
- 8 In case of Titagarh Firema S.p.A, a step down subsidiary, during the current year Shivaliks Mercantile Private Limited (a promoter controlled entity) has invested in 100,000 equity shares of Titagarh Firema S.p.A, resulting in creation of minority interest for the Group as on March 31, 2022.
- 9 The Group has assessed the possible impact of COVID-19 on its financial statements based on the internal and external information and concluded no adjustments are required in these financial results. The Group continues to monitor changes in future economic conditions.
- 10 The above consolidated financial results for the quarter ended March 31, 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 30, 2022.

<b>II.</b>	<b>Audit Qualification</b>			
	<b>a. Details of Audit Qualification (as reproduced from the audit report)</b> We draw your attention to the following paragraph (as reproduced) included in the audit report on the special purpose financial information of Titagarh Firema S.p.A (a subsidiary of the Holding Company) issued by other auditors vide their report dated May 27, 2022:  “As of 31 March, 2022 the Company has a financial debt with two financial institution, according to the provisions of the reference accounting standards, that have to be classified as due within 12 months due to failure to comply with some financial parameters, pending the formalization of waiver letters with the banking class. As of 31 <sup>st</sup> March 2022, however in the absence of a specific request by the banking class for an immediate repayment of the debt exposure, the company continues to report the financial debt as long term and specifically (i) to the Italian credit institution, equal to Euro 10 million (of which Euro 0.6 million within twelve months and Euro 9.4 million beyond twelve months), and (ii) to the foreign credit institution, equal Euro 75.3 million (of which Euro 32.3 million within twelve months and Euro 42.90 million beyond twelve months), maintaining the original classification in the special purpose financial information as required by the financial agreements. So, the Company, although contractually regulated, has not classified the previous amounts in the current liabilities in the special purpose financial information as of 31 March 2022.”			
	<b>b. Type of Audit Qualification :</b> Qualified Opinion			
	<b>c. Frequency of qualification:</b> Appeared first time.			
	<b>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</b> Not Applicable			
	<b>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</b>			
	<b>(i) Management's estimation on the impact of audit qualification:</b> The qualification as mentioned in Para (ii) pertains to Titagarh Firema S.p.A (TFA) which is a step down subsidiary company of Titagarh Wagons Limited. We have been informed by TFA that it has financial debts (term debts) with two financial institutions for an aggregate amount of Euro 85.30 million of which Euro 52.30 million is repayable over 1 year and balance is repayable within one year. Despite of the breach in the financial covenant TFA's management continues to disclose the borrowings as non-current in the special purpose financial information of TFA for the purpose of consolidated financial statements, because of the fact			

	that there has been no communication from the banks for the immediate repayment of the above debts and based on the ongoing discussion and the email correspondences with the banks the management is reasonably certain to obtain such waiver from the banks shortly. Further the qualification is pertaining to the disclosure in the financial statements and will not have any impact on the reported numbers as per the table included above.
	(ii) <b>Management response and reasons for inability to estimate the impact:</b> Impact of audit qualification cannot be quantified.
	(iii) <b>Auditors' Comments on (i) or (ii) above:</b> Refer details of audit qualification [para II (a) above]
